# How to use this booklet...

**Greetings!**

**Every Member In Ministry: that is our goal at First United Methodist! Every January we have a special time dedicated to signing up to serve through our church. This is much more than our following through on the membership vow we took when we joined the church. It is our opportunity to be the Body of Christ as we serve our Lord in some specific ministry.**

**I have found that when a person finds their place of service they feel truly connected to the Church and find greater purpose in their daily Christian walk. We are praying that this will be a fruitful time for the church and for you.**

**Please carefully consider how you can give your time, talent, and service to the building up of your church. If you look closely, I truly believe you can find some place where you can serve. Your commitment will last for one calendar year.**

**I ask you to look over this booklet that represents the current ministries of First United Methodist Church. After careful consideration, please fill out the “Commitment Card” page located in the back of this booklet and bring with you to church on Sunday, Jan. 24, 2010. That morning, you will be asked to place your card in the offering plate as an act of worship.**

**I look forward to how this church will be blessed by your acts of service!**

**Grace to You,**

**Dick Humphries  
Senior Pastor**
