

## **LAMAR!**

*Oh, there's Lamar Robertson... God smiles & the angels sing...  
Knowing how much joy throughout his lifetime...Lamar would bring.*

*Making beautiful music has always been his life...  
So, he had the perfect partner when Joanne became his wife.*

*Lamar & Joanne, living life to their best...  
With their children, Trudy, Chris, & Laurie, they were truly blessed.*

*Teaching music to the young, the old, & every age in between...  
Conducting church choirs, touching lives is where Lamar can be seen.*

*Touring the country teaching, flying high in the sky...  
He even co-wrote books about his folk song method, Kodaly.*

*The father of the Choral Foundation long ago...  
Thanks to him, it still makes beautiful music: sol, la, ti, do.*

*Who'd ever guess he'd be in a ballet? Nobody knows...  
He's The Nutcracker's famous grandfather, NO, not on HIS toes!*

*Young at heart, in his mid-80's...He sang with our choir at Carnegie Hall...  
Always the life of the party... we did New York & had a ball.*

*When not making music, gorgeous roses he'd grow...  
Not surprising, he made the news as our local Hometown Hero.*

*Even at the age of ninety, he defies being "old"...*  
**WHEN GOD MADE LAMAR, HE TRULY BROKE THE MOLD!**
